Author by: Marta De la Torre Language: en Publisher by: Getty Publications Format Available: PDF, ePub, Mobi Total Read: 70 Total Download: 275 File Size: 53,5 Mb Description: One of the greatest challenges faced today by those responsible for ancient cultural sites is that of maintaining the delicate balance between conserving these fragile resources and making them available to increasing numbers of visitors.. The inclusion of maps, illustrations, and photographs broadens the reader's understanding of deriving meaning and relevance in the study of stone tool technology.. Suitable for both the scholar and the interested layperson, provides a comprehensive study in archaeological lithic analysis.. These issues are among the topics dealt with in this book, which reports on the proceedings of an international conference on the conservation of classical sites in the Mediterranean region, organized by the Getty Conservation Institute and the J.
